

COACH STATS

GAA Football Match Statistics Tracker

User Guide — Version 8.0 — 2026

1. Introduction

Coach Stats is a Progressive Web App (PWA) for GAA and LGFA football coaches, analysts and managers. Record live match statistics, analyse match video, manage training and trials, track player wellness, scout opponents, and review season summaries — all from your phone, tablet or computer.

App URL:

<https://coachstats.netlify.app>

2. User Accounts & Subscription

Creating an Account

1. Open the app — the login screen appears
2. Tap the Register tab
3. Enter your email and password (min. 6 characters)
4. Tap Create Account then sign in

Subscription Plans

Tier	Monthly	Annual
Individual	£5 / month	£50 / year
Club	£10 / month	£90 / year

Top-right buttons:  Club · ? Help ·  Event Settings ·  Sign Out

3. Club Feature

Allows a GAA club to manage multiple squads, coaches, event config and match records. Club admins configure events and performance scores that apply to all coaches automatically.

5. Tap  → Create Club → enter name and county (Admin)
6. Tap  → Join Club → enter 8-character invite code (Coach)

4. Navigating the App

Tab	Name	What it does
	Match	Set up teams, competition and game clock
	Record	Record match events — green column = Home, white column = Away
	Trends	Live possession, score trends and momentum
	Squad	Squad · Stats · Training · Trial · Timeline · Team Sheet
	Stats	Full match stats — save matches to history

	History	Search, browse and review all saved matches
---	----------------	---

5. Match Tab

Competition Picker

Tap the competition button — your 3 most recently used competitions appear at the top for quick access. Type to search across all competitions.

Game Control — Clock

Phase	Button
Before kick-off	 Start Game
1st half running	 Half Time
Half time	 Start 2nd Half
2nd half running	 End Game

6. Record Tab

Home / Away Column Layout

The Record tab shows a clear two-column layout. The left column (green tint, green border) is always the Home team. The right column (white/silver tint) is always the Away team. The actual team names appear in a header bar at the top — once you set team names in the Match tab they update automatically.

Shots

Shot from Play and Shot from Free — outcomes: Point / Goal / 2 Pointer / Wide / Short / Saved / Blocked. After selecting an outcome, an optional 3×3 zone grid appears — tap a zone or Skip Zone.

Possession

Event	Outcomes
Ball Won	In Contact / Tackle / Interception
Ball Lost	Hand Pass / Kick Pass / In Contact / Handling / Over Carrying
Kickout	Won Clean / Break Won / Loss Clean / Break Loss / Short Won / Short Loss
45m Free	Scored / Wide / Short / Pass / Ball Lost
Turnover Forced	In Attack / Midfield / In Defence
Mark	Won / Lost

Discipline

Tap the Discipline heading to expand. Foul Given (Shooting / Cynical / Dangerous / Dissent) and Card (Yellow / Black / Red). Tag a player for every card.

7. Squad Tab

Player Stats & Performance Score

The Stats sub-tab shows all events tagged to each player. Each card shows a Performance Score calculated from tagged events using the point values in ⚙️ Settings. Green = positive, red = negative.

Team Sheet

Sheet sub-tab → squad in standard GAA formation → Print / Save PDF.

8. Training Tab

Squad tab → 🏃 Training. Sessions grouped by GAA season (Aug–Jul).

Sessions View

7. Tap ❤️ View Readiness Dashboard to see today's player check-ins
8. Tap + New Training Session → set date and label
9. Mark each player: ✅ Present · ❌ Absent · 🤕 Injured · 🤒 Sick · 🏆 County
10. Add optional notes per player → Save Session

Player Training Profile

Section	Content
Attendance	% for season, sessions attended, current streak, last 10 sessions as coloured dots
Availability	Tap Available / Maybe / Unavailable for next match
Skill Ratings	8 skills rated 1–10 — Kicking, Handpass, Catching, Decision Making, Fitness, Work Rate, Tackling, Positioning
Notes	Free text notes with date, newest first

Readiness Dashboard

Tap ❤️ View Readiness Dashboard to see all submitted wellness check-ins for today. Each player shows their average score (green/amber/red) and metric chips for Sleep, Energy, Soreness, Stress and Mood.

Player Self-Report Link (Phase 2)

11. Open the Readiness Dashboard
12. Tap 📄 Copy beside the link — this saves the squad to the server and copies the URL

13. Paste the link into your squad WhatsApp group
14. Players tap the link — no login needed
15. They select their name, rate 5 metrics 1–5 and submit
16. Scores appear in your Readiness Dashboard automatically

Metric	What it measures
😴 Sleep	1 = Very poor, 5 = Excellent
⚡ Energy	1 = Very poor, 5 = Excellent
💪 Soreness	1 = Very sore, 5 = No soreness
🧠 Stress	1 = Very high, 5 = Very low
😊 Mood	1 = Very poor, 5 = Excellent

Tip: Overall score 4+ = green (ready), 3 = amber (monitor), below 3 = red (concern).

9. Trial Tab

Squad tab →  Trial. Manage a structured multi-week player evaluation with support for multiple coaches grading simultaneously.

Creating & Running a Trial

17. Tap + New Trial → enter name, start date and season
18. Trialists tab → + Add Trialist → name, position, age group
19. Sessions tab → + New Session → grade each trialist 1–10, mark Present/Absent, set Invite Back, add notes
20. Rankings tab → see live leaderboard ranked by average grade
21. Tap any trialist → set Final Decision and promote to squad

Multi-Coach Grading

Every trial session has a  share button. Tap it to copy a grading link and share with co-coaches. Each co-coach opens the link on their phone, enters their name and grades all trialists. Their grades submit directly to the server.

The head coach taps  Sync Co-Coach Grades to pull in all submissions. The average grade in the Rankings tab automatically includes all coaches' scores.

Trialist Profile — Coach Breakdown

When multiple coaches have graded a trialist, the profile shows a Coach Breakdown section with each coach's average and session-by-session scores side by side — full transparency on who scored what.

Build Squad from Trial

Once any trialist is marked Promote, the  Build Squad from Trial button appears. Select promoted players, assign each to a squad slot, and add all in one step.

Trial PDF Report

Rankings tab →  PDF Report. Includes: rankings table, session-by-session grade grid for all coaches, and all coach notes grouped by player.

10. Event Settings

Tap  top right. Club admins — changes apply to all coaches automatically. Events tab to edit/add events, Performance tab to adjust point values per outcome.

11. Stats Tab

Full match statistics. Heading shows Live Match or loaded match name. Save Match — banner turns green and match syncs to your account.

12. History Tab

Season Summary

Tap  Season Summary at the top of the History tab. Select a season and optional team filter. Preview shows W/D/L record, 6 KPI tiles (score, shot conversion, possession, kickout %, turnovers, wides), full results table and top performer rankings. Tap  Generate PDF Report for a printable management summary.

Scout Reports

Tap  Scout on any match card to open the scout report editor for that opponent. Sections: Key Players to Watch, Attacking Play, Defensive Shape, Kickouts, Strengths, Weaknesses, General Notes. Saved reports show a  badge on the match card.
