Open in Safari on iPhone or iPad to install

1. Getting Started

Coach Stats is a Progressive Web App (PWA) for GAA and LGFA football coaches, analysts and managers. It runs in your browser and installs to your home screen like a native app.

App URL

<https://coachstats.app/app>

The main website is at <https://coachstats.app> — tap Get Started Free or Sign In to access the app.

Installing on iPhone / iPad

| **Note:** You must use Safari. Chrome and Firefox do not support Add to Home Screen on iPhone or iPad.

1. Open Safari and go to <https://coachstats.app>
2. Tap Get Started Free — this takes you to the app at coachstats.app/app
3. Tap the Share button at the bottom of Safari (box with arrow pointing up)
4. Scroll down and tap Add to Home Screen
5. Tap Add — Coach Stats appears on your home screen

Creating an Account

6. Open the app — the login screen appears
7. Tap the Register tab
8. Enter your name, email address and password (min. 6 characters)
9. Tap Create Account
10. Check your email inbox for a confirmation link from hello@coachstats.app
11. Tap the confirmation link — you can then sign in

| **Note:** Check your spam or junk folder if the confirmation email does not arrive within 2 minutes.

New accounts get a 30-day free trial with full access. No credit card required to start.

2. App Layout

Bottom Navigation — 6 Tabs

Tab	Name	What it does
	Match	Set up teams, competition, venue and control the clock
	Record	Record all match events — green = My Team, white = Opposition
	Trends	Live charts — possession, score trend, momentum
	Squad	Players, training, wellness, trials, team sheet
	Stats	Full match stats, shot map, match notes, save match
	History	All saved matches, fixtures, season summary, opposition DB

Top-Right Buttons

Button	What it does
	Club — create or join a club, manage coaches
	Help — quick reference guide
	Event Settings — customise events and performance scores
 Account	Account settings, subscription, feedback, delete account
	Sign Out

3. Match Tab — Setting Up a Game

My Team & Opposition

The Match tab uses "My Team" (green column) for your side and "Opposition" (white column) for the opposing team. Club accounts automatically pre-fill My Team with the club name — no need to search every match.

12. Tap My Team → search by county or club name → tap to select
13. Tap Opposition → search 1,200+ GAA clubs or type a custom name
14. Tap the competition button — recent picks shown at top
15. Set venue and date if needed
16. Tap  Start Game — clock starts, Match Info collapses

Game Clock

Phase	Button
Before kick-off	 Start Game
1st half running	 Half Time → Half Time Report appears
Half time report	 Start 2nd Half (button at bottom of report)
2nd half running	 End Game

Half Time Report

When you tap  Half Time a full dashboard automatically appears showing a tactical summary of the first half. It includes:

-  Key Observations — auto-generated alerts for patterns (3+ wides, kickout dominance, low shooting efficiency, discipline concerns)
-  Shooting — efficiency circles for both teams, shot totals, scored, wides, goals, saves
-  Kickouts — won/lost breakdown with retention percentages
-  Possession — ball won, ball lost, turnovers comparison
-  Discipline — fouls and cards comparison
-  Score Trend — sparkline chart showing score difference across the first half

Tap  Start 2nd Half at the bottom of the report to close it and begin the second half.

4. Record Tab — Recording Events

My Team / Opposition Layout

The Record tab has two columns — green (My Team) on the left and silver (Opposition) on the right. Team names appear in a header bar once set.

Recording a Shot

17. Tap the correct team's Shot from Play or Shot from Free button
18. Select the outcome: Point / Goal / 2 Pointer / Wide / Short / Saved / Blocked
19. Optionally tap a zone on the pitch grid or Skip Zone

Tagging Events to Players

20. Tap an event button — the outcome panel slides up
21. Tap a player name at the bottom of the panel BEFORE selecting the outcome
22. Then tap the outcome — the event is linked to that player

Substitutions

Tap the Substitutions heading to expand. Tap + Record Substitution, select the team, minute, player coming off and player coming on. Substitutions appear in the stats table, timeline and PDF report.

Discipline

Tap the Discipline heading to expand. Record Foul Given and Cards (Yellow/Black/Red). Always tag cards to a player.

5. Stats Tab

Match Notes

Below the stats table is a Match Notes text area. Type any tactical observations — they auto-save as you type. Notes are saved with the match and viewable from History.

Shot Map

Tap  Shot Map to show a pitch diagram with all shots plotted as coloured dots at their zone location. Filter by team and shot type. Tap any dot to see player, outcome and minute. Included in PDF match reports.

Saving a Match

Tap Save Match — the banner turns green to confirm. The match syncs to your account and appears in History.

| **Tip:** *Save as soon as possible after the final whistle before closing the app.*

6. Squad Tab

Managing Players

34-slot grid. Tap any slot to add or edit a player. Attendance badges appear based on training records. A red dot indicates an active injury.

Injury Log

Squad → Training → Players → tap player → Injury Log → + Log Injury. Enter type, date, return date and notes. Tap ✓ to mark Recovered.

Training Sessions

23. Training → Sessions → + New Training Session

24. Mark each player:  Present ·  Absent ·  Injured ·  Sick ·  County

25. Add optional notes per player → Save Session

Wellness Dashboard

Training → Sessions →  View Readiness Dashboard. See player wellness check-ins. Share a link via WhatsApp — players submit 5 metrics (1–5) without logging in. Scores appear automatically.

7. Trial Tab

- 26. Squad → Trial → + New Trial → name, date, season
- 27. Trialists tab → + Add Trialist → name, position, age group
- 28. Sessions tab → + New Session → grade 1–10 per trialist
- 29. Share session link with co-coaches for multi-coach grading
- 30. Tap  Sync Co-Coach Grades to pull in co-coach submissions
- 31. Rankings tab shows sorted averages across all coaches
- 32. Set Final Decision: Promote / Hold Over / Release

8. History Tab

Button	What it does
 Share	Share match summary via iOS share sheet (WhatsApp, email etc.)
 Video	Opens Video Analysis for this match
 Scout	Scout report for this match's opponent
 Notes	View and edit match notes
 Fixtures	Upcoming matches — add with date, opponent, competition
 Opp DB	Opposition Database — club profiles with W/D/L, history, notes
 Summary	Season summary — W/D/L, KPIs, top performers, PDF report

9. Video Analysis

Tags Tab

- 33. Select My Team or Opposition
- 34. Play the video
- 35. Tap event buttons as events happen — timestamps stamped automatically
- 36. Tap  clip on any tag to create a highlight clip from that moment

Clips Tab

- 37. Tap  Mark In while video plays to set the clip start
- 38. Tap  Mark Out to set the clip end
- 39. Tap  Save Clip — enter label and category (Attack/Defence/Individual/Set Piece)
- 40. Tap  Share Clip Sheet to export all clips grouped by category

10. Account & Settings

Account Settings — Account button

-  Manage Subscription — opens Stripe billing portal (cancel, update payment, view invoices)
-  Product Feedback — send feature requests or bug reports directly to the development team
-  What's Coming — current product roadmap
- Privacy Policy and Terms of Service
- Delete Account — permanently removes all data (type DELETE to confirm)

Club Accounts

Tap  to create or join a club. When you create or join a club, My Team is automatically set to your club name for every new match. Club admins can customise event settings which apply to all coaches in the club.
