

COACH STATS

GAA Football Match Statistics Tracker

User Guide — Version 4.0 — 2026

1. Introduction

Coach Stats is a Progressive Web App (PWA) for GAA and LGFA football coaches, analysts and managers. Record live match statistics from your phone, tablet or computer — it works fully offline at the pitch.

App URL:

<https://coachstats.netlify.app>

2. User Accounts & Subscription

Coach Stats uses Supabase for secure user accounts. Your squad and match history are stored in the cloud and accessible from any device when signed in.

Creating an Account

1. Open the app — the login screen appears
2. Tap the Register tab
3. Enter your email address and a password (min. 6 characters)
4. Tap Create Account
5. Sign in with your new credentials

Free Trial & Subscription

New accounts receive a 30-day free trial with full access. The trial banner shows at the top of the app. Tap Upgrade to subscribe.

Plan	Details
Free Trial	30 days — full access
Monthly	£5 / month — cancel any time
Annual	£50 / year — best value

Signing Out

Tap the  Sign Out button in the top right corner of the app.

3. Club Feature

The club feature allows a GAA club to create a shared account, manage multiple squads across grades, and allow coaches to access their assigned squads.

Create Club (Admin)

6. Tap the  button in the top right corner
7. Tap Create Club

8. Enter your club name and county
9. Tap Create Club — you become the Club Admin

Join a Club (Coach)

10. Tap the 🏟️ button
11. Tap Join Club
12. Enter the 8-character invite code from your admin
13. Tap Join Club

Club Dashboard Tabs

Tab	What it does
Squads	View all club squads. Tap any squad to load it. Add squads by grade or custom name.
Members	View your invite code. See and manage all members.
Reports	All saved matches grouped by squad. Tap any match for a PDF report.
Settings	Edit club name and county.

Tip: When a coach records a match while a club squad is active, it saves to both their personal account and the club match database.

4. Navigating the App

Icon	Tab	What it does
🏟️	Match	Set up teams, venue, competition and game clock
🔊	Record	Record all match events during play
📈	Trends	Live possession, score trends and match momentum
👥	Squad	Manage squad, view player stats, print team sheet
📊	Stats	Full match statistics table — save matches to history
📁	History	Browse and review all previously saved matches

5. Match Tab

Match Info

Set up teams, venue and competition before kick-off. The Match Info section auto-collapses when you tap Start Game to free up screen space. Tap the Match Info heading to expand or collapse it manually at any time.

Selecting Teams

- Type a county name to see all clubs from that county

- Type any part of a club name to filter the list
- Type a name not in the list and tap Use [name] for a one-off custom team
- Tap + Add New to save a new club permanently

Game Control — Clock

Phase	Button
Before kick-off	 Start Game
1st half running	 Half Time
Half time	 Start 2nd Half
2nd half running	 End Game
Extra time	Use ET button in the half row

Scoreboard

Shows the live score in goals–points format. The  Undo Home and  Undo Away buttons (highlighted in red) remove the last scoring event for either team.

6. Record Tab

The Record tab is your main control panel during a live match. Events are grouped into three sections: Shots, Possession, and Discipline.

Shots Section

Outcome	Description
Point	Ball goes over the bar
Goal	Ball goes into the net
★ 2 Pointer	Successful 2-point attempt
Wide	Shot misses left or right
Short	Shot falls short
Saved	Goalkeeper saves the shot
Blocked	Shot blocked by a defender

Shot Zone (optional)

After selecting a shot outcome, a 3×3 zone grid appears. Tap a zone to tag where the shot came from, or tap Skip Zone to close. The shot is already recorded — the zone is optional extra detail.

Left D	D Centre	Right D
Left 45	45 Centre	Right 45

Left Wing	Midfield	Right Wing
-----------	----------	------------

Possession Section

Event	Outcomes
Ball Won	In Contact / Tackle / Interception
Ball Lost	Hand Pass / Kick Pass / In Contact / Handling / Over Carrying
Kickout	Won Clean / Break Won / Loss Clean / Break Loss / Short Won / Short Loss
45m Free	Scored / Wide / Short / Pass / Ball Lost
Turnover Forced	In Attack / Midfield / In Defence
Mark	Won / Lost

Discipline Section (collapsed by default)

Tap the Discipline heading to expand. Records fouls and cards — tag a player for maximum value.

Event	Outcomes
Foul Given	Shooting / Cynical / Dangerous / Dissent
Card	Yellow / Black / Red

7. Tagging Events to Players

Any event can be tagged to a specific player. In the outcome panel, tap a player's name before selecting the outcome to tag the event to them. Tagged events appear in Player Stats and match reports.

Tip: Tag cards to players — they are much less useful without knowing who received them.

8. Trends Tab

- Possession % — rolling balance based on Ball Won / Lost events
- Score Trend — timeline showing how the score gap changed
- Match Momentum — scoring runs and momentum swings
- Team Possession Breakdown — how possession was gained and lost

9. Squad Tab

Managing Your Squad

The Squad tab shows a 34-slot grid. Tap any slot to open the player editor.

- Enter the player's name
- Tap Save Player — the button sits directly below the name field, always visible
- Select a position below if needed (optional)

- Tap Remove Player to clear the slot

Tip: On iPhone the Save Player button appears immediately below the name field — no scrolling needed. Tap Save first, then select the position if you want.

Player Stats

Tap the Player Stats sub-tab to see a breakdown of all events tagged to each player.

Team Sheet

Tap Team Sheet to see the squad in a standard GAA formation. Tap  Print / Save PDF to export.

10. Stats Tab

The full match statistics table comparing both teams. All recorded categories appear automatically — categories with no events are hidden to keep the table clean.

Stats sections shown when data is present:

- Scoring (goals, points, efficiency, possession, halves)
- Shots from Play (all outcomes)
- Shots from Free (all outcomes)
- Ball Lost (by type)
- Ball Won (by type)
- Kickout (won/lost breakdown)
- 45m Free (outcomes)
- Turnovers Forced (by zone)
- Mark (won/lost)
- Discipline (fouls and cards)
- Shot Zones (counts per zone)

Tap Save Match when complete to save to History.

11. History Tab

Button	What it does
 Full Stats	Opens detailed stats for that match
 Report	Generates a full match analysis PDF
 Reload	Loads the match back into the live tracker
 Delete	Permanently removes the match

12. Match Reports

14. Go to the History tab
15. Find the match and tap  Report
16. The report opens in a new window
17. Tap Print / Save PDF — on iPad tap Share to save as PDF or email

Report includes: cover header, KPI tiles, full stats comparison, shooting breakdown, ball lost/won breakdown, kickout battle, turnovers, discipline summary, and player contributions.

13. Offline Use

- All match recording works without internet
- Full club and county database (1,200+ clubs) is built in
- Squad and match history stored on device
- Data syncs to your account on next connection

Tip: *The app needs internet the first time it loads. After that it works fully offline.*

14. Installing on Your Device

iPhone / iPad (Safari only)

18. Open <https://coachstats.netlify.app> in Safari
19. Tap the Share button (box with arrow)
20. Tap Add to Home Screen
21. Tap Add to confirm

Tip: *You must use Safari on iPhone/iPad. Chrome does not support Add to Home Screen on iOS.*

Android

22. Open in Chrome
23. Tap Install when Chrome prompts

Tip: *Delete and reinstall the PWA to force the latest version if the app feels out of date.*

15. Troubleshooting
