Open in Safari on iPhone or iPad to install

1. Getting Started

Coach Stats is a Progressive Web App (PWA) for GAA and LGFA football coaches, analysts and managers. It runs in your browser and installs to your home screen like a native app.

App URL

<https://coachstats.app/app>

The main website is at <https://coachstats.app> — tap Get Started Free or Sign In to access the app.

Installing on iPhone / iPad

| **Note:** You must use Safari. Chrome and Firefox do not support Add to Home Screen on iPhone or iPad.

1. Open Safari and go to <https://coachstats.app>
2. Tap Get Started Free — this takes you to the app at coachstats.app/app
3. Tap the Share button at the bottom of Safari (box with arrow pointing up)
4. Scroll down and tap Add to Home Screen
5. Tap Add — Coach Stats appears on your home screen

Creating an Account

6. Open the app — the login screen appears
7. Tap the Register tab
8. Enter your name, email address and password (min. 6 characters)
9. Tap Create Account
10. Check your email inbox for a confirmation link from hello@coachstats.app
11. Tap the confirmation link — you can then sign in

| **Note:** Check your spam or junk folder if the confirmation email does not arrive within 2 minutes.

Subscription Plans

Plan	Monthly	Annual	Best for
Individual	£5 / month	£50 / year	Single coach
Club	£10 / month	£90 / year	Multiple coaches

New accounts get a 30-day free trial with full access. No credit card required to start.

2. App Layout

Bottom Navigation — 6 Tabs

Tab	Name	What it does
	Match	Set up teams, competition, venue and control the clock
	Record	Record all match events — green = My Team, white = Opposition
	Trends	Live charts — possession, score trend, momentum
	Squad	Players, training, wellness, trials, team sheet
	Stats	Full match stats, shot map, match notes, save match
	History	Saved matches, fixtures, season summary, opposition DB, export

Offline Indicator

When your device loses internet connection an amber banner appears at the top of the screen: "YOU ARE OFFLINE — CHANGES SAVED LOCALLY". All match recording continues to work offline. The banner disappears automatically when you are back online.

3. Match Tab — Setting Up a Game

My Team & Opposition

Tap My Team to search 1,200+ GAA clubs. Club accounts auto-fill My Team with the club name. Tap Opposition to select the opposing team.

12. Tap My Team → search by county or club name → tap to select
13. Tap Opposition → search or type a custom name
14. Tap the competition button — recent picks shown at top
15. Tap  Start Game — clock starts

Half Time Report

Tap  Half Time — a full tactical dashboard appears automatically showing shooting efficiency, kickout breakdown, possession, discipline and score trend chart. Tap  Start 2nd Half at the bottom to continue.

4. Record Tab — Recording Events

My Team / Opposition Layout

Green column = My Team · Silver column = Opposition. Tap the correct team's button for every event.

Recording Shots, Tags, Substitutions & Discipline

16. Shot: tap Shot from Play or Shot from Free → select outcome → tap zone or Skip Zone
17. Tag to player: tap player name BEFORE selecting outcome
18. Substitution: tap Substitutions heading → + Record Substitution
19. Foul/card: tap Discipline heading → record foul type or card

5. Stats Tab

Match Notes

Free text area below the stats table. Auto-saves as you type. Notes saved with the match and viewable from History.

Shot Map

Tap  Shot Map — pitch diagram with all shots as coloured dots. Filter by team and shot type. Tap any dot for player, outcome and minute. Included in PDF match reports.

Saving a Match

Tap Save Match — the banner turns green to confirm. Syncs to your account and appears in History.

| **Tip:** *Save as soon as possible after the final whistle before closing the app.*

6. Squad Tab

Players, Injury Log & Team Sheet

34-slot squad grid. Tap any slot to add or edit a player. Red dot = active injury. Training → Players → tap player → Injury Log → + Log Injury. Squad → Sheet sub-tab for team sheet PDF.

Training & Wellness

Training → Sessions → + New Training Session. Mark attendance, add notes. Share the Readiness Dashboard link via WhatsApp — players submit wellness scores without logging in.

7. Trial Tab

20. Squad → Trial → + New Trial
21. Add trialists, run grading sessions (1–10 per trialist)
22. Share session link with co-coaches for multi-coach grading
23. Tap  Sync Co-Coach Grades to pull in submissions
24. Rankings tab shows averages — set Final Decision per trialist

8. History Tab

Match Cards

Button	What it does
 Share	Share match summary via iOS share sheet (WhatsApp, email etc.)
 Video	Opens Video Analysis for this match
 Scout	Scout report for this match's opponent
 Notes	View and edit match notes

Fixtures

Tap  Fixtures — add upcoming matches with date, time, opponent, competition and venue. Enable fixture reminders in Account Settings to receive a notification 24 hours before each fixture.

Opposition Database

Tap  Opposition DB — built automatically from your match history. Every opponent profiled with W/D/L record, match history, scout reports and persistent notes.

Export Data

Tap  Export Data — download your match history in three formats:

- CSV — opens in Excel or Google Sheets. Includes score, competition, shots, wides, kickouts, result (W/D/L) and match notes per row.
- PDF Report Pack — opens a print window with a summary table and individual match details. Use Print → Save as PDF.
- JSON Backup — full raw data backup for safe keeping.

You can filter by season before exporting. The CSV is the most useful for analysis — paste into Excel to build your own charts and season trends.

9. Video Analysis

Tags Tab

- 25. Play the video and tap event buttons — timestamps stamped automatically
- 26. Tap  clip on any tag to create a highlight clip from that moment

Clips Tab

- 27. Tap  Mark In →  Mark Out →  Save Clip — add label and category
- 28. Tap  Share Clip Sheet to export all clips grouped by category

10. Account & Settings

Account Settings — Account button

-  Fixture Reminders — enable push notifications 24 hours before each fixture
-  Manage Subscription — opens Stripe billing portal
-  Product Feedback — send feature requests or bug reports
-  What's Coming — current product roadmap
- Delete Account — permanently removes all data

Fixture Reminders (Push Notifications)

Tap  Account →  Fixture Reminders → Enable. The app will send a notification the day before any upcoming fixture you have saved. Tap Enable again to turn them off.

Note: Push notifications require the app to be installed to your home screen (Add to Home Screen). On iPhone this requires iOS 16.4 or later. On Android they work in Chrome automatically.

Club Accounts

Tap  to create or join a club. My Team is automatically set to your club name. Club admins can customise event settings for all coaches.

Password Reset

Login screen → Forgot password? → enter email → check inbox for link → tap link → enter new password → Update Password.
