

COACH STATS

GAA Football Match Statistics Tracker

User Guide — Version 7.0 — 2026

1. Introduction

Coach Stats is a Progressive Web App (PWA) for GAA and LGFA football coaches, analysts and managers. Record live match statistics, analyse match video, manage training and trials, configure custom events, and track player performance — all from your phone, tablet or computer.

App URL:

<https://coachstats.netlify.app>

2. User Accounts & Subscription

Creating an Account

1. Open the app — the login screen appears
2. Tap the Register tab
3. Enter your email and password (min. 6 characters)
4. Tap Create Account then sign in

Match History Sync

Every match you save is stored locally and in your account. Clear browser data or sign in on a new device — your full match history, training sessions and trial data restore automatically.

Subscription Plans

Tier	Monthly	Annual
Individual	£5 / month	£50 / year (save £10)
Club	£10 / month	£90 / year (save £30)

Top-right buttons

 Club ·  ? Help ·  Event Settings ·  Sign Out

3. Club Feature

Allows a GAA club to manage multiple squads, coaches, event config and match records under one account.

5. Tap  → Create Club → enter name and county (Admin)
6. Tap  → Join Club → enter 8-character invite code (Coach)

Tab	What it does
Squads	View all squads. Tap any to load it. Add squads by grade or custom name.
Members	View invite code. See and manage all coaches.

Reports	All saved matches grouped by squad.
Settings	Edit club name and county.

4. Navigating the App

Tab	Name	What it does
	Match	Set up teams, venue, competition and game clock
	Record	Record all match events during play
	Trends	Live possession, score trends and match momentum
	Squad	Squad, Stats, Training, Trial, Timeline, Team Sheet
	Stats	Full match statistics table — save matches to history
	History	Search, browse and review all previously saved matches

5. Match Tab

Match Info & Competition

Match Info auto-collapses on Start Game — tap the heading to toggle. The team names appear as a small label below the clock once set.

Tap the competition button to open a searchable picker. Your 3 most recently used competitions appear at the top for quick access.

Game Control — Clock

Phase	Button
Before kick-off	 Start Game
1st half running	 Half Time
Half time	 Start 2nd Half
2nd half running	 End Game

The clock pulses gently when running. Shows  Paused when stopped.

6. Record Tab

Events grouped into Shots, Possession and Discipline. Custom events from  Settings appear automatically. Tally counter flashes on each tap to confirm.

Shots

Shot from Play and Shot from Free — outcomes: Point / Goal / 2 Pointer / Wide / Short / Saved / Blocked. After selecting an outcome, an optional 3×3 zone grid appears.

Possession

Event	Outcomes
Ball Won	In Contact / Tackle / Interception
Ball Lost	Hand Pass / Kick Pass / In Contact / Handling / Over Carrying
Kickout	Won Clean / Break Won / Loss Clean / Break Loss / Short Won / Short Loss
45m Free	Scored / Wide / Short / Pass / Ball Lost
Turnover Forced	In Attack / Midfield / In Defence
Mark	Won / Lost

Discipline (tap heading to expand)

Foul Given: Shooting / Cynical / Dangerous / Dissent. Card: Yellow / Black / Red. Always tag a player for cards.

7. Squad Tab — Sub-tabs

My Squad

34-slot grid. Tap any slot → enter name → Save Player. Position is optional. Attendance badges (●●●) and availability icons (✓✗🤔) appear once training data is recorded.

Player Stats

All events tagged to each player. Each card shows a Performance Score (e.g. +14) calculated from tagged events using the configured performance point values in ⚙️ Settings.

Timeline

Chronological log of all events in the current match.

Team Sheet

Squad arranged in a standard GAA formation. Tap Print / Save PDF to export.

8. Training Tab

Access via Squad tab → 🏃 Training. Sessions are grouped by GAA season (Aug–Jul). Use the season selector at the top to switch between seasons.

Sessions View

- 7. Tap + New Training Session
- 8. Set date and optional label (e.g. Tuesday Session)
- 9. Mark each player:  Present ·  Absent ·  Injured ·  Sick ·  County
- 10. Add an optional note per player
- 11. Tap Save Session

Tap any past session to edit it.

Players View

Lists all squad players with their attendance % for the current season, colour coded:

Badge	Meaning
 Green	85% or above — excellent attendance
 Yellow	70–84% — attendance below ideal
 Red	Below 70% — flagged for attention

These badges appear on the squad grid and the Players view list. Tap any player to open their full Training Profile.

Player Training Profile

Section	What it shows
Attendance	% for the season, sessions attended, current streak, last 10 sessions as coloured dots
Availability	Tap Available / Maybe / Unavailable for next match + optional reason note
Skill Ratings	8 skills rated 1–10 (Kicking, Handpass, Catching, Decision Making, Fitness, Work Rate, Tackling, Positioning). Tap Save Ratings to store.
Notes	Free text notes with date, newest first

Tip: Availability icons (  ) appear beside each player's name on the squad grid — useful for a quick pre-match scan.

9. Trial Tab

Access via Squad tab →  Trial. Manage a structured multi-week player evaluation process.

Creating a Trial

- 12. Tap + New Trial
- 13. Enter a name (e.g. Senior Trial 2026), start date and season
- 14. Tap Create Trial

Adding Trialists

Inside a trial → Trialists tab → + Add Trialist. Enter name, position and age group.

Recording a Session

15. Sessions tab → + New Session
16. Set date and optional label (e.g. Week 1)
17. For each trialist: mark Present or Absent, tap a grade 1–10, set Invite Back / Maybe / Not Invited, and add optional notes
18. Tap Save Session

Grade Colours

Score	Colour
1–3	Red — poor
4–6	Amber — average
7–8	Green — good
9–10	Teal — excellent

Rankings Tab

Trialists ranked by average grade across all attended sessions. 🥇 🥈 🥉 for top 3. Shows sessions attended, average grade and final decision badge.

Final Decisions

Decision	What it does
✅ Promote	Player is being added to the main squad. Assign to a squad slot — trial grade carries over to their player record.
↺ Hold Over	Player may be reconsidered in a future trial.
❌ Release	Player is not being offered a squad place.

Build Squad from Trial

Once any trialist is marked Promote, a 🏆 Build Squad from Trial button appears in the Rankings tab. Select promoted players, assign each to a squad slot, and tap Add Selected to Squad. All selected players are added in one step.

Trial PDF Report

Tap 📄 PDF Report in the Rankings tab to generate a full management report containing:

- Rankings table with average grade, sessions attended and final decision per trialist
- Session-by-session grade grid — every trialist × every session
- All coach notes grouped by player

10. Event Settings

Tap the  button top right. Club admins — changes apply to all coaches automatically.

Events Tab

Lists all events by category. Tap any event to edit label, icon, context (Live / Video / Both) and outcomes. Default events can be edited but not deleted. Tap + Add Custom Event to create a new one from scratch.

Performance Tab

Each outcome has a performance point value. Edit inline and tap Save Performance Scores.

Outcome	Default
Goal (from play)	+8
Point (from play)	+5
Tackle (Ball Won)	+4
Turnover In Attack	+5
Wide	-1
Hand Pass Lost	-2
Cynical Foul	-3
Red Card	-8

11. Stats Tab

Full match statistics comparing both teams. Heading shows Live Match or loaded match name. Save Match — banner turns green to confirm, match syncs to your account.

12. History Tab

Search bar at the top filters by team, competition or venue. Matches with video tags show a  badge.

Button	What it does
 Full Stats	Detailed stats including video tags if present
 Report	PDF report including video tags section
 Video	Opens Video Analysis for that match
 Reload	Loads match back into the live tracker
 Delete	Permanently removes the match

Tap  New Video Analysis at the top to start a video-first session without needing a live recorded match.

13. Video Analysis

Opening

From any saved match card tap  Video, or use  New Video Analysis from the History tab.

Tagging Events

19. Paste a YouTube link or MP4 URL → tap Load Video
20. Tap ▲ Hide Video to collapse the video and give event buttons more space
21. Select Home or Away team tab
22. Tap event buttons as events happen — outcome picker slides up for events with outcomes
23. Each tag is stamped with the exact video timestamp

Timeline coloured dots, tag list filters (Home/Away), stats summary chips, and  Copy Clip List all available once tags are recorded.

14. Match Reports

24. History tab → tap  Report
25. Report opens in a new window
26. Tap Print / Save PDF

Includes: cover, KPI tiles, full stats, shooting breakdown, ball won/lost, kickout battle, turnovers, discipline, player contributions, video analysis tags.

15. Offline Use

- All match recording works without internet
- Full GAA/LGFA club database (1,200+ clubs) built in
- Squad, training, trial data and match history stored on device
- Syncs to your account on next connection

Tip: *The app needs internet the first time it loads. After that it works fully offline.*

16. Installing on Your Device

iPhone / iPad (Safari only)

27. Open <https://coachstats.netlify.app> in Safari
28. Tap Share → Add to Home Screen → Add

Tip: *You must use Safari on iPhone/iPad. Chrome does not support Add to Home Screen on iOS.*

Android

29. Open in Chrome → tap Install when prompted
